MANAGEMENT INFORMATION CIRCULAR

(containing information as at May 3, 2024 unless otherwise stated)
**For the Annual General and Special Meeting of Shareholders
to be held on Wednesday, June 19, 2024**

SOLICITATION OF PROXIES

This Information Circular (this “**Circular**”) is furnished in connection with the solicitation of proxies by the management of Prime Mining Corp. (the “**Company**”), for use at the annual general and special meeting (the “**Meeting**”) of the shareholders (“**Shareholders**”) of the Company to be held on Wednesday, June 19, 2024, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

The enclosed instrument of proxy (the “**Proxy**”) is solicited by the management of the Company. The solicitation will be primarily by mail, however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

We strongly encourage Shareholders to vote their common shares of the Company (the “Common Shares”) prior to the Meeting by proxy, prior to the proxy cut-off at 2:00 p.m. (Pacific time) on Monday, June 17, 2024.

APPOINTMENT OF PROXYHOLDERS

The persons named in the Proxy are representatives of the Company.

A Shareholder entitled to vote at the Meeting has the right to appoint a person (who need not be a Shareholder) to attend and act on the Shareholder’s behalf at the Meeting other than the persons named in the accompanying form of proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the accompanying form of proxy and insert the name of the Shareholder’s nominee in the blank space provided or complete another suitable form of proxy.

A proxy will not be valid unless it is duly completed, signed and deposited with the Company’s registrar and transfer agent, Odyssey Trust Company (“**Odyssey Trust**”) by hand or mail at the United Kingdom Building, Suite 350, 409 Granville Street, Vancouver, British Columbia, V6C 1T2, or by fax to Odyssey Trust, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S) or 416-263-9524 (international), or via email to proxy@odysseytrust.com, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. A proxy must be signed by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

These security holder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

VOTING BY PROXYHOLDER

Manner of Voting

The Common Shares represented by the Proxy, will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the “**Proxyholders**”) will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

In the absence of instructions to the contrary, the Proxyholders intend to vote the Common Shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.

Revocation of Proxy

A Shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer and deposited by hand or mail with Odyssey Trust at United Kingdom Building, Suite 350, 409 Granville Street, Vancouver, British Columbia, V6C 1T2 or by fax to Odyssey Trust, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international), or via email to proxy@odysseytrust.com at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chairperson of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

Voting Thresholds Required for Approval

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an “**Ordinary Resolution**”) unless the motion requires a special resolution (a “**Special Resolution**”), in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, Common Shares held by Shareholders of the Company with a vested interest in the resolutions who are also “insiders”, as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

Advice to Registered Shareholders

Shareholders whose names appear on the records of the Company as the registered holders of Common Shares (the “**Registered Shareholders**”) may choose to vote by proxy whether or not they are able to attend the Meeting in person.

Registered Shareholders who choose to submit a Proxy may do so by completing, signing, dating and depositing the Proxy with Odyssey Trust, by hand or mail at the United Kingdom Building, Suite 350, 409 Granville Street, Vancouver, British Columbia, V6C 1T2, or by fax to Odyssey Trust, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international), or via email to proxy@odysseytrust.com not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. The Proxy may be signed by the Shareholder or by his or her attorney in writing, or, if the Registered Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

To Vote Your Proxy Online please visit:

<https://login.odysseytrust.com/pxlogin> and click on VOTE. You will be required to enter the CONTROL NUMBER printed with your address to the right on your proxy form. If you vote by Internet, do not mail this proxy.

Returning your Proxy Form

To be effective, we must receive your completed proxy form or voting instruction no later than 2:00 p.m. (Pacific time) on **Monday, June 17, 2023**.

If the Meeting is postponed or adjourned, we must receive your completed form of proxy by 5:00 p.m. (Pacific time), two full business days before any adjourned or postponed Meeting at which the proxy is to be used. Late proxies may be accepted or rejected by the Chairman of the Meeting at his discretion and he is under no obligation to accept or reject a late proxy. The Chairman of the Meeting may waive or extend the proxy cut-off without notice.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.

Shareholders who do not hold their shares in their own name (referred to in this information circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Registered Shareholders whose names appear on the records of the Company as the registered holders of shares can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder’s name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder’s intermediary or an agent of that intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary’s clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by

Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the Beneficial Shareholder.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such shares are voted.**

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy related materials directly to NOBOs. This year, the Company has decided to take advantage of those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form (“**VIF**”) from our Transfer Agent, Odyssey Trust. These VIFs are to be completed and returned to Odyssey Trust in the envelope provided or by facsimile. In addition, Odyssey Trust provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Odyssey Trust will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive. The Company does not intend to pay for intermediaries to deliver these securityholder materials to OBOs and, as a result, OBOs will not be sent paper copies unless their intermediary assumes the costs.

These proxy-related materials are being sent to both Registered Shareholders and Beneficial Shareholders of the Company. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a Proxyholder for a Registered Shareholder and vote their shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as Proxyholder for a Registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a Proxyholder.

Non-Objecting Beneficial Owners

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers can obtain a list of their NOBOs from intermediaries for

distribution of proxy-related materials directly to NOBOs. This year, the Company will rely on those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form (“**VIF**”) from the Company’s transfer agent, Odyssey Trust. These VIFs are to be completed and returned to Odyssey Trust in the envelope provided or by facsimile. In addition, Odyssey Trust provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Odyssey Trust will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

If you are a Beneficial Shareholder and the Company or its agent has sent these proxy-related materials to you directly, please be advised that your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding your securities on your behalf. By choosing to send these proxy-related materials to you directly, the Company (and not the intermediaries holding securities your behalf) has assumed responsibility for (i) delivering the proxy-related materials to you and (ii) executing your proper voting instructions as specified in the VIF.

Objecting Beneficial Owners

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders’ meetings. Every intermediary has its own mailing procedures and provides its own return instructions to client, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO.

The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

United States Shareholders

This solicitation of Proxies and VIFs involves securities of a company located in Canada and is being issued in accordance with the corporate and securities laws of the province of British Columbia, Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), are not applicable to the Company or this solicitation. Shareholders should be aware that disclosure and proxy solicitation requirements under the securities laws of British Columbia, Canada differ from the disclosure and proxy solicitation requirements under United States securities laws. The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British

Columbia), some of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Notice-and-Access

The Company is not relying on the notice-and-access delivery procedures outlined in NI 54-101 to distribute copies of the Circular, Proxy or VIF.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, none of the directors or officers of the Company, at any time since the beginning of the Company's last financial year, nor any proposed nominee for election as a Director, or any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting exclusive of the election of directors or the appointment of auditors. Directors and officers may, however, be interested in the approval of the Omnibus Incentive Plan (as defined below) as detailed in the section "*Approval of Omnibus Incentive Plan*" as such persons are entitled to participate in the Omnibus Incentive Plan.

VOTING SECURITIES

The authorized capital of the Company consists of an unlimited number of Common Shares. As at May 3, 2024, the Record Date, the Company had 144,209,505 Common Shares issued and outstanding as fully paid and non-assessable shares, each share carrying the right to one vote.

Holders of Common Shares of record at the close of business on the Record Date will be entitled to one vote for each Common Share held. Only those Shareholders of record as of the Record Date will be entitled to vote at the Meeting or any adjournment or postponement thereof.

The Company will prepare a list of Shareholders as of the Record Date. Holders of Common Shares named on that list will be entitled to vote the Common Shares then registered in their name at the Meeting (unless prohibited from voting by applicable regulatory authorities on a particular matter to be considered at the Meeting) except to the extent that the holder has transferred ownership of any of the Common Shares after the Record Date and the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that the transferee owns the Common Shares, and demands at any time before the Meeting that the transferee's name be included in the list of persons entitled to vote at the Meeting. In that case the transferee will be entitled to vote their Common Shares at the Meeting or any postponement or adjournment thereof.

PRINCIPAL HOLDERS

To the knowledge of the directors and executive officers of the Company, as of the date of this Circular no person or company beneficially owns, directly or indirectly, or exercises control or direction over voting securities carrying more than 10% of the voting rights attached to the Common Shares, other than Pierre Lassonde who controls 20,663,978 Common Shares, of which 143,000 Common Shares are held personally, 1,700,000 held through Firelight (LBC) Holdings and 18,820,978 held through Firelight Holdings LLC, both wholly-owned companies of Mr. Lassonde. Mr. Lassonde's direct and indirect ownership of Common Shares represents approximately 14.32% of the issued and outstanding Common Shares of the Company.

The full text of the proposed revisions to the Articles is set forth in the blackline attached as Schedule B to this Circular.

The Board unanimously recommends that shareholders vote in favour of the amendment of the Articles to adopt the form of Articles referred to in Schedule B to this Circular.

Unless authority to do so is withheld, the persons named in the enclosed form of proxy intend to vote FOR the amendment of the Articles and the adoption of the form of Articles referred to in Schedule B to this Circular.

APPROVAL OF OMNIBUS INCENTIVE PLAN

In connection with the Company's graduation from the TSX Venture Exchange to the TSX effective December 6, 2023, the Board determined that it would be appropriate and in the best interests of the Company to adopt a new omnibus equity incentive plan (the "**Omnibus Incentive Plan**").

The new Omnibus Incentive Plan is drafted in compliance with the rules and requirements of the TSX, including the TSX Company Manual. Effective May 3rd, 2024, the Board authorized the adoption of the Omnibus Incentive Plan as more fully described herein, subject to the approval of the Shareholders as set forth below.

The full texts of the Omnibus Incentive Plan is set forth in Schedule A to this Circular. A summary of the Omnibus Incentive Plan is set forth under the heading "*Summary of Omnibus Incentive Plan*", below.

To be effective, the resolution approving the Omnibus Incentive Plan must be approved by not less than a majority of the votes cast by Shareholders present in person or represented by proxy and entitled to vote at the Meeting.

In order to effect the approval of the Omnibus Incentive Plan, Shareholders will be asked to consider and, if thought fit, to pass an ordinary resolution in substantially the following form:

BE IT RESOLVED AS ORDINARY RESOLUTIONS THAT:

1. the Omnibus Incentive Plan, pursuant to which the board of directors may, from time to time, authorize the issuance of equity securities of the Company to acquire common shares of the Company (each, a "**Share**") in accordance with the Omnibus Incentive Plan to a maximum of 10% of the issued and outstanding Shares at the time of, be and is hereby authorized and approved;

The Board unanimously recommends that Shareholders vote in favour of the approval of the Omnibus Incentive Plan. Unless authority to do so is withheld, the persons named in the enclosed form of proxy intend to vote FOR the approval of the Omnibus Incentive Plan.

Summary of Omnibus Incentive Plan

The Omnibus Incentive Plan is summarized as follows. The following summary of the Omnibus Incentive Plan is qualified in its entirety by the terms of the Omnibus Incentive Plan and should be reviewed in conjunction with the full details of the Omnibus Incentive Plan set out in Schedule A to this Circular. Terms not herein defined shall have the meaning ascribed to them in the Omnibus Incentive Plan.

Introduction

The Omnibus Incentive Plan provides for the issue of Awards (as defined below) for directors, executive officers, Employees, Management Company Employees or Consultants of the Company or any of its subsidiaries (the “**Eligible Participants**”) for the purpose of (i) increasing the interest in the Company’s welfare of those Eligible Participants, who share responsibility for the management, growth and protection of the business of the Company, (ii) providing an incentive to such Eligible Participants to continue their services for the Company, (iii) encouraging such Eligible Participants whose skills, performance and loyalty to the objectives and interests of the Company are necessary or essential to its success, image and reputation, and (iv) providing a means through which the Company may attract and retain such Eligible Participants.

The Omnibus Incentive Plan is administered by the Board, and if the Board by resolution so decides, by a committee or plan administrator appointed by the Board, which may, from time to time, in its discretion, grant to Eligible Participants options of the Company (the “**Options**”) to purchase Common Shares, deferred share units (“**DSUs**”), restricted share units (“**RSUs**”) and performance share units (“**PSUs**”), (collectively, the “**Awards**”). The Omnibus Incentive Plan allows the Company to grant Awards to Eligible Participants (the “**Participants**”) as incentives to continue to provide services to the Company, as a reward for their performance and to attract and retain the talent.

The maximum number of Common Shares issuable at any time pursuant to outstanding Awards under the Omnibus Incentive Plan and any other Share Compensation Arrangement will be 10% of the issued and outstanding Common Shares at the date of the Award. The securities that are acquired by Participants under this Plan pursuant to the grant of Awards shall consist of authorized but unissued Common Shares.

The Common Shares of the Company covered by Awards which have been exercised or settled, as applicable, and Awards which expire or are forfeited, surrendered, cancelled or otherwise terminated or lapse for any reason without having been exercised, will be available for subsequent grant under the Omnibus Incentive Plan and the number of Awards that may be granted under the Omnibus Incentive Plan increases if the total number of issued and outstanding Common Shares of the Company increases. Common Shares are not deemed to have been issued pursuant to the Omnibus Incentive Plan with respect to any portion of an Award that is settled in cash.

The maximum number of Common Shares issuable to Eligible Participants who are Insiders, as a group, at any time, pursuant to the Omnibus Incentive Plan and any other Share Compensation Arrangements of the Company, shall not exceed 10% of the total number of Common Shares then outstanding, calculated as at the date any share compensation is granted or issued to any Insider. The maximum number of Common Shares issued to Insiders, within any one-year period, pursuant to the Omnibus Incentive Plan and any other Share Compensation Arrangements of the Company shall not exceed 10% of the total number of Common Shares outstanding at any point in time.

Options

Subject to any shareholder or regulatory approval and the rules of the TSX, the Board shall, from time to time, in its sole discretion, (i) designate the Eligible Participants who may receive Options under the Omnibus Incentive Plan, (ii) fix the number of Options, if any, to be granted to each Eligible Participant, (iii) determine the price per Common Share to be payable upon the exercise of each such Option (the “**Option Price**”) and the relevant vesting provisions (including Performance Criteria, if applicable) and the Option Term (as defined below).

The Option Price shall be determined by the Board but shall not be less than the greater of the closing market prices of the underlying securities for (i) the volume weighted average trading price of the Common

Shares on the TSX for the five trading days immediately preceding the date of grant of the Options, or (ii) if the Common Shares are not listed on any stock exchange, the value as is determined solely by the Board (the “**Market Value**”), at the time of the grant.

The Board shall determine the period during which the Option is exercisable, which shall not be more than ten (10) years from the date the Option was granted (the “**Option Term**”), giving effect to any Black-Out Period. Should the expiration of an Option Term fall within a Black-Out Period or within nine (9) business days following the expiration of a Black-Out Period, such expiration date shall be automatically extended 10 business days after the end of the Black-Out Period.

Prior to expiration or earlier termination in accordance with the Omnibus Incentive Plan, each Option shall be exercisable at such time or times and/or pursuant to the achievement of such performance criteria and/or other vesting conditions as the Board may determine in its discretion at the time of the grant, and in compliance with the Company’s insider trading policy.

Subject to the rules and policies of the TSX, the Board may, in its discretion and at any time, determine to grant a Participant the right, when entitled to exercise Options, to deal with such Options on a “cashless exercise” basis (the “**Cashless Exercise Right**”). The Board may determine in its discretion that such Cashless Exercise Right, if any, grants a Participant the right to exercise such Options by notice in writing to the Company and receive, without payment of any cash other than pursuant to tax withholdings, that number of Common Shares, disregarding fractions, that is equal to the quotient obtained by dividing:

- (a) the product of the number of Options being exercised multiplied by the difference between the Market Value on the day immediately prior to the exercise of the Cashless Exercise Right and the Option Price; and
- (b) the Market Value on the day immediately prior to the exercise of the Cashless Exercise Right.

Options shall be evidenced by an option agreement in a form that is not inconsistent with the Omnibus Incentive Plan as the Board may determine from time to time.

No Dividend Equivalents shall be granted in connection with an Option.

DSUs

A DSU is an Award attributable to a Participant’s duties as a Non-Employee Director of the Company and that, upon settlement, entitles the Participant to receive such number of Common Shares as determined by the Board, and is payable after termination of service by the Participant (the “**Termination of Service**”).

The Board shall, from time to time by resolution, in its discretion, (i) designate the Eligible Participants who may receive DSUs, and (ii) fix the number of DSUs to be granted and the date on which such DSUs shall be granted, subject to terms and conditions in the Omnibus Incentive Plan. Each DSU awarded shall entitle the Participant to one Common Share.

The Board may further award such number of DSUs to a Participant as the Board deems advisable to provide the Participant with appropriate equity-based compensation for the services he or she renders to the Company. The Board shall determine the date on which such DSUs may be granted and the date as of which such DSUs shall be credited to a Participant’s account. All DSUs granted will be credited to the Participant’s account.

A Participant may receive their Common Shares upon their Termination of Service by filing a maximum of two (2) redemption notices no later than December 31 of the calendar year after the calendar year in which the Participant's Termination of Service occurs. Payment will be made as soon as reasonably possible following the filing date of the notice.

In the event of the death of a Participant, the Company will pay the amount of Common Shares owed pursuant to the Participant's DSUs (the "**DSU Settlement Amount**") within two months of the Participant's death. For determining the DSU Settlement Amount, such calculations will be made as of the date of the Participant's death.

For determining the number of Common Shares to be issued to a Participant upon settlement of DSUs, such calculation will be made on the filing date of notice based on the number of Common Shares equal to the number of vested DSUs then recorded in the Participant's account.

DSUs shall be evidenced by a DSU agreement in such form not inconsistent with the Incentive Plan as the Board may determine of time to time.

Dividend Equivalents may be granted in respect of DSUs, as determined by the Board in its sole discretion. Dividend Equivalents, if any, will be credited to the Participant's account in additional DSUs.

RSUs

An RSU is an Award that entitles the Participant to acquire Common Shares as determined by the Board, pursuant to such restrictions and conditions as the Board determines at the time of the grant.

The Board shall from time to time by resolution, in its discretion, (i) designate the Eligible Participants who may receive RSUs, (ii) fix the number of RSUs to be granted and the date on which such RSUs shall be granted, and (iii) determine the relevant conditions, vesting provisions, and restrictive period of such RSUs (the "**Restriction Period**"), provided that the Restriction Period is no longer than three years from the date of the grant.

Each RSU will entitle the Participant to receive one Common Share, provided that relevant conditions and vesting provisions have been met. All unvested RSUs shall be cancelled no later than the last day of the Restriction Period.

The Board shall determine if the vesting conditions with respect to an RSU have been met, and establish the number of RSUs that become vested, on no later than December 15th of the calendar year which is three years after the calendar year in which the performance of services for which the RSU is granted, occurred (the "**RSU Vesting Determination Date**"). For any U.S. Participant, the RSU Vesting Determination Date shall occur no later than March 15 of the calendar year.

All of the vested RSUs covered by a particular grant shall be settled within ten (10) business days following the RSU Vesting Determination Date and by no later than the end of the Restriction Period (the "**RSU Settlement Date**").

For determining the number of Common Shares to be issued to a Participant upon settlement of RSUs, such calculation will be made on the RSU Settlement Date based on the number of Common Shares equal to the number of vested RSUs then recorded in the Participant's account.

RSUs shall be evidenced by an RSU agreement in such form not inconsistent with the Omnibus Incentive Plan as the Board may determine from time to time.

Dividend Equivalents may be granted in respect of RSUs, as determined by the Board in its sole discretion. Dividend Equivalents, if any, will be credited to the Participant's account in additional RSUs.

PSUs

A PSU is an Award that entitles the Participant to acquire Common Shares as determined by the Board, pursuant to such restrictions and conditions as the Board determines, unless the PSU expires prior to being settled.

The Board shall from time to time by resolution, in its discretion, (i) designate the Eligible Participants who may receive PSUs, (ii) fix the number of PSUs to be granted and the date on which such PSUs shall be granted, (iii) determine the relevant conditions and vesting provisions (including the applicable Performance Period and Performance Criteria), and (iv) determine any other terms and conditions applicable to the granted PSUs.

Each PSU will entitle the Participant to receive one Common Share, provided that relevant Performance Criteria have been met. The applicable restriction period in respect of a PSU shall be determined by the Performance Period.

The Board shall determine if the Performance Criteria with respect to a PSU has been met, and establish the number of PSUs that become vested, on the vesting determination date, which must fall within the Performance Period (the "**PSU Vesting Determination Date**"). All of the vested PSUs covered by a particular grant shall be settled within ten (10) business days following the PSU Vesting Determination Date and by no later than the end of the Restriction Period (the "**PSU Settlement Date**").

For determining the number of Common Shares to be issued to a Participant upon settlement of PSUs, such calculation will be made on the PSU Settlement Date based on the number of Common Shares equal to the number of vested PSUs then recorded in the Participant's account.

PSUs shall be evidenced by an PSU agreement in such form not inconsistent with the Omnibus Incentive Plan as the Board may determine from time to time.

Dividend Equivalents may be granted in respect of PSUs, as determined by the Board in its sole discretion. Dividend Equivalents, if any, will be credited to the Participant's account in additional PSUs. If the Participant's applicable PSUs do not vest, all Dividend Equivalents, if any, associated with such PSUs will be forfeited by the Participant and returned to the Company's account.

General

The Omnibus Incentive Plan includes general conditions regarding termination with or without cause, resignation, retirement, disability and death of the Participants; adjustments to price or number of Common Shares; Board powers in the event of a change of control; amendments to or discontinuance of the Omnibus Incentive Plan; tax withholding; clawbacks and reorganization of the Company.

In the event of (i) a Change of Control, and (ii) within twelve months following the Change of Control a Participant has their position, employment or consulting agreement terminated, then unvested RSUs and PSUs shall immediately vest and be paid out, and all unvested Options shall vest and become exercisable notwithstanding the restricted period.

Unless otherwise determined by the Board, the Company shall not offer financial assistance to any Participant in regards to the exercise of any Award granted under this Omnibus Incentive Plan.

Except as specifically provided in a grant agreement approved by the Board, each Award granted under the Omnibus Incentive Plan is personal to the Participant and shall not be assignable or transferable by the Participant, whether voluntarily or by operation of law, except by will or by the laws of succession.

The Board may suspend or terminate the Omnibus Incentive Plan at any time. The Board may also, in its discretion and without approval of the Shareholders, make the following types of amendments to the Omnibus Incentive Plan or any Award, subject to any regulatory or TSX requirements at the time of such amendment:

- (i) to the general vesting provisions, if applicable, of the Omnibus Incentive Plan or of the Awards;
- (ii) regarding the effect of termination of a Participant's employment or engagement;
- (iii) which accelerates the date on which any Option may be exercised;
- (iv) necessary to comply with applicable law or the requirements of the TSX or any other regulatory body;
- (v) of a "housekeeping" nature, including to clarify the meaning of an existing provision of the Omnibus Incentive Plan, correct or supplement any provision of the Omnibus Incentive Plan that is inconsistent with any other provision of the Omnibus Incentive Plan, and correct any grammatical or typographical errors or amend the definitions in the Omnibus Incentive Plan;
- (vi) regarding the administration of the Omnibus Incentive Plan;
- (vii) to add or amend provisions permitting the grant of Awards settled otherwise than with Common Shares issued from treasury, a form of financial assistance or clawback; and

- (e) extend the maximum term of any Award;
- (f) amend the expiry and termination provisions applicable to an Award; and

On April 25, 2024, and in accordance with the requirements of the TSX, the Board adopted and approved a majority voting policy (the “**Majority Voting Policy**”), to be effective subject to approval of the Shareholders at the Meeting, a copy of which is attached to this Circular as Schedule C. In order for the Majority Voting Policy to remain in effect following termination of the Meeting, the Majority Voting Policy must be ratified and approved at the Meeting, as set forth more fully below.

To be effective, the resolution approving the adoption of the Majority Voting Policy must be approved by not less than a majority of the votes cast by Shareholders present in person or represented by proxy and entitled to vote at the Meeting.

In order to effect the adoption of the Majority Voting Policy, Shareholders will be asked to consider and, if thought fit, to pass an ordinary resolution substantially the following form:

COMPENSATION DISCUSSION AND ANALYSIS

The purpose of this compensation discussion and analysis is to provide information about the Company's executive compensation philosophy, objectives and processes and to discuss compensation decisions relating to the Company's NEOs. The Company's primary objective is building a sustainable mining company that is recognized as safe and responsible while maximizing shareholder value. To succeed in this, it is imperative that competitive compensation packages be provided to executive management to ensure that executives are appropriately retained and engaged to effectively manage, operate and implement the long-term growth strategy of the Company.

The Company's compensation philosophy looks to align compensation with performance, taking into account the Company's overall financial position, which ultimately aligns with the interests of Shareholders. The goal is to motivate employees to achieve higher levels of performance which will serve to provide greater value to Shareholders. Compensation of NEOs is reviewed annually and recommended to Board for approval by the Compensation and Human Resources Committee. The level and elements of compensation for NEOs is determined after consideration of various relevant factors, including the expected

nature and quantity of duties and responsibilities, expected time commitments, past performance and the availability of financial resources.

The Company balances its compensation program with rewards for the attainment of corporate and operational measures and risk management that are within the executive's ability to influence.

The compensation program of the Company places an emphasis on at-risk compensation. This is achieved in the form of performance-based, short-term cash incentives, as well long-term incentives based on a three-year vesting schedule, which illustrates the Company's strong focus on pay-for-performance over the long term. Compensation programs will continue to emphasize "pay for performance", with each individual's short- and long-term compensation and career advancement being dependent on both Company performance and individual performance, with the objective of increasing long-term shareholder value. If the Company or the individual does not meet its objectives, awards will be adjusted in accordance with pre-established processes or as otherwise determined in the discretion of the Board.

The Compensation and Human Resources Committee assesses potential risks facing the Company with respect to its compensation policies and practices, succession planning for the Board and for senior management, and organizational changes within the senior management team, including leadership and development to mitigate such risks. The Compensation and Human Resources Committee also regularly reviews organizational changes at the senior management level and is provided with updates on a quarterly basis on human resources issues associated with the Company as a whole.

NEOs and directors of the Company are not expressly prohibited from purchasing financial instruments. NEOs and directors are required to comply with the Company's Code as outlined above.

Based on its review of the Company's compensation policies and practices, the Compensation and Human Resources Committee has not identified any risks that are reasonably likely to have a material adverse effect on the Company. The Compensation and Human Resources Committee will continue to review the Company's compensation strategy, policies and practices on an annual basis to ensure that risk related to compensation of NEOs and directors is mitigated.

PERFORMANCE GRAPH

The following graph compares and tracks the effect of \$100 invested in Common Shares on December 31, 2018, against the total shareholder return of the S&P/TSX Composite Index and the ETFMG for the five most recently completed financial years of the Company, assuming the reinvestment of all dividends.

The Company's executive compensation strategy is designed to align the Company's interests with both the short- and long-term interests of shareholders. The Company has developed a comprehensive compensation strategy with the following goals: (i) providing compensation levels that are competitive with comparator group companies in the mining industry; (ii) linking executive compensation to corporate performance and the creation of shareholder value, including through at-risk compensation; (iii) rewarding achievement of corporate and individual performance objectives; and (iv) promoting internal equity and disciplined assessment of performance. While the Company has greatly outperformed in comparison to the Canada S&P/TSX Composite Index over the last few years, compensation of the CEO and NEOs has only nominally increased year over year.

SHARE-BASED AND OPTION-BASED AWARDS

The Company uses a common method in determining share-based and option-based awards to executive officers and directors. The Compensation and Human Resources Committee reviews current share-based awards or option-based awards outstanding compared to the total available awards to grant which is based on the combined maximum of 10% of Common Shares issued and outstanding across all long-term incentive plans (options, RSUs, DSUs and PSUs). Previous grants are considered in determining new grants. Amendments to the existing incentive plan are first reviewed by the Compensation and Human Resources Committee and then recommended to the Board for approval.

COMPENSATION GOVERNANCE

The Company uses a simple process for determining executive compensation whereby the Compensation and Human Resources Committee reviews executive base compensation, short term non-equity incentives and long-term equity-based compensation and provides a recommendation to the Board for discussion and approval.

DIRECTOR COMPENSATION

Compensation of directors of the Company is reviewed annually and determined by the Compensation and Human Resources Committee of the Board. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

The Company pays (i) the Chair an annual retainer fee of \$65,000; (ii) the independent Board members an annual retainer fee of \$40,000; (iii) the Audit Committee Chair an additional annual retainer fee of \$10,000; (iv) the Chair of the Compensation Committee an additional \$7,500; (v) and all other Committee Chairs an additional \$5,000.

In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for directors. While the Board considers Option, DSU, RSU and PSU grants to directors under the Omnibus Incentive Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options, DSUs, RSUs or PSUs. Other than the Omnibus Incentive Plan as discussed above, the Company does not offer any long-term incentive plans, share compensation plans, or any other such benefit programs for directors. The Board follows the methodology recommended by compensation surveys and peer group comparisons when considering compensation securities grants to directors under the Omnibus Incentive Plan.

The following table (presented in accordance with Form 51-102F6) sets forth all amounts of compensation provided to the directors for the Company's financial year ended December 31, 2023.

EQUITY COMPENSATION PLAN

GENERAL

The Board has adopted the Omnibus Incentive Plan pursuant to which the Board may grant Awards to Eligible Participants.

In connection with the Company's graduation from the TSX Venture Exchange to the TSX effective December 6, 2023, the Board determined that it would be appropriate and in the best interests of the Company to adopt a new Omnibus Incentive Plan as set forth herein, subject to approval of the Shareholders at the Meeting. A resolution to approve the Omnibus Incentive Plan will be presented to the Shareholders for approval at the Meeting.

A summary of the Omnibus Incentive Plan is set out above in this Circular under "*Business of the Meeting – Approval of Omnibus Incentive Plan – Summary of Omnibus Incentive Plan*", and the full text of the Omnibus Incentive Plan is set out as Schedule A to this Circular.

The Omnibus Incentive Plan provides for the issue of Awards to Eligible Participants for the purpose of (i) increasing the interest in the Company's welfare of those Eligible Participants, (ii) providing an incentive to such Eligible Participants to continue their services for the Company, (iii) encouraging such Eligible Participants whose skills, performance and loyalty to the objectives and interests of the Company are necessary, and (iv) providing a means through which the Company may attract and retain such Eligible Participants.

The maximum number of Common Shares issuable at any time pursuant to outstanding Awards under the Omnibus Incentive Plan and any other Share Compensation Arrangement will be 10% of the issued and outstanding Common Shares at the date of the Award. The Common Shares of the Company covered by Awards which have been exercised or settled, as applicable, and Awards which expire or are forfeited, surrendered, cancelled or otherwise terminated or lapse for any reason without having been exercised, will be available for subsequent grant under the Omnibus Incentive Plan and the number of Awards that may be granted under the Omnibus Incentive Plan increases if the total number of issued and outstanding Common Shares of the Company increases.

The maximum number of Common Shares issuable to Eligible Participants who are Insiders, as a group, at any time, pursuant to the Omnibus Incentive Plan and any other Share Compensation Arrangements of the Company, shall not exceed 10% of the total number of Common Shares then outstanding, calculated as at the date any share compensation is granted or issued to any Insider. The maximum number of Common Shares issued to Insiders, within any one-year period, pursuant to the Omnibus Incentive Plan and any other Share Compensation Arrangements of the Company shall not exceed 10% of the total number of Common Shares outstanding at any point in time.

The Board may suspend or terminate the Omnibus Incentive Plan at any time. The Board may also, in its discretion and without approval of the Shareholders, make certain amendments to the Omnibus Incentive Plan or any Award, subject to any regulatory requirements or requirements pursuant to the TSX Company Manual.

- (c) to reward Participants for their performance of services while working for the Company or a Subsidiary; and
- (d) to provide a means through which the Company or a Subsidiary may attract and retain able Persons to enter its employment or service.

Section 2.2 Implementation and Administration of the Plan.

- (1) The Plan shall be administered and interpreted by the board of directors of the Company (the “**Board**”) or, if the Board by resolution so decides, by a committee or plan administrator appointed by the Board. If such committee or plan administrator is appointed for this purpose, all references to the “Board” herein will be deemed references to such committee or plan administrator. Nothing contained herein shall prevent the Board from adopting other or additional Share Compensation Arrangements or other compensation arrangements, subject to any required approval.
- (2) Subject to Article 7 and any applicable rules of a Stock Exchange, the Board may, from time to time, as it may deem expedient, adopt, amend and rescind rules and regulations or vary the terms of this Plan and/or any Award hereunder for carrying out the provisions and purposes of the Plan and/or to address tax or other requirements of any applicable jurisdiction.
- (3) Subject to the provisions of this Plan, the Board is authorized, in its sole discretion, to make such determinations under, and such interpretations of, and take such steps and actions in connection with, the proper administration and operations of the Plan as it may deem necessary or advisable. The Board may delegate to officers or managers of the Company, or committees thereof, the authority, subject to such terms as the Board shall determine, to perform such functions, in whole or in part. Any such delegation by the Board may be revoked at any time at the Board's sole discretion. The interpretation, administration, construction and application of the Plan and any provisions hereof made by the Board, or by any officer, manager, committee or any other Person to which the Board delegated authority to perform such functions, shall be final and binding on the Company, its Subsidiaries and all Eligible Participants.
- (4) No member of the Board or any Person acting pursuant to authority delegated by the Board hereunder shall be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of the Plan or any Award granted hereunder. Members of the Board or and any person acting at the direction or on behalf of the Board, shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action or determination.

Section 2.3 Participation in this Plan.

- (1) The Company makes no representation or warranty as to the future market value of the Shares or with respect to any income tax matters affecting any Participant resulting from the grant of an Award, the exercise of an Option or transactions in the Shares or otherwise

in respect of participation under the Plan. Neither the Company, nor any of its directors, officers, employees, shareholders or agents shall be liable for anything done or omitted to be done by such Person or any other Person with respect to the price, time, quantity or other conditions and circumstances of the issuance of Shares hereunder, or in any other manner related to the Plan. For greater certainty, no amount will be paid to, or in respect of, a Participant under the Plan or pursuant to any other arrangement, and no additional Awards will be granted to such Participant to compensate for a downward fluctuation in the price of the Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Company and its Subsidiaries do not assume and shall not have responsibility for the income or other tax consequences resulting to any Participant and each Participant is advised to consult with his or her own tax advisors.

- (3) Unless otherwise determined by the Board, the Company shall not offer financial assistance to any Participant in regards to the exercise of any Award granted under this Plan.
- (4) The Board may also require that any Eligible Participant in the Plan provide certain representations, warranties and certifications to the Company to satisfy the requirements of applicable laws, including, without limitation, exemptions from the registration requirements of the U.S. Securities Act, and applicable U.S. state securities laws.

- (4) The Plan is an “evergreen” plan, as Shares of the Company covered by Awards which have been exercised or settled, as applicable, and Awards which expire or are forfeited, surrendered, cancelled or otherwise terminated or lapse for any reason without having been exercised, will be available for subsequent grant under the Plan and the number of Awards that may be granted under the Omnibus Plan increases if the total number of issued and outstanding Shares of the Company increases. Section 2.6 Granting of Awards.

Any Award granted under the Plan shall be subject to the requirement that, if at any time the Company shall determine that the listing, registration or qualification of the Shares subject to such Award, if applicable, upon any stock exchange or under any law or regulation of any jurisdiction, or the consent or approval of any stock exchange or any governmental or regulatory body, is necessary as a condition of, or in connection with, the grant of such Awards or exercise of any Option or the issuance or purchase of Shares thereunder, if applicable, such Award may not be accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Company to apply for or to obtain such listing, registration, qualification, consent or approval.

ARTICLE 3 OPTIONS

Section 3.1 Nature of Options.

An Option is an option granted by the Company to a Participant entitling such Participant to acquire a designated number of Shares from treasury at the Option Price, but subject to the provisions hereof. For the avoidance of doubt, no Dividend Equivalents shall be granted in connection with an Option.

Section 3.2 Option Awards.

- (1) The Board shall determine, at the time of granting the particular Option, the period during which the Option is exercisable, which shall not be more than ten (10) years from the date the Option is granted ("**Option Term**").
- (2) Should the expiration date for an Option fall within a Black-Out Period or within nine (9) Business Days following the expiration of a Black-Out Period, such expiration date shall be automatically extended without any further act or formality to that date which is the tenth (10th) Business Day after the end of the Black-Out Period, such tenth (10th) Business Day to be considered the expiration date for such Option for all purposes under the Plan.

Section 3.5 Exercise of Options.

Prior to its expiration or earlier termination in accordance with the Plan, each Option shall be exercisable at such time or times and/or pursuant to the achievement of such Performance Criteria and/or other vesting conditions as the Board at the time of granting the particular Option, may determine in its sole discretion. For greater certainty, any exercise of Options by a Participant shall be made in accordance with the Company's insider trading policy.

 - (a) deliver to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall have then paid for and as are specified in such Exercise Notice; or

- (b) in the case of Shares issued in uncertificated form, cause the issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall have then paid for and as are specified in such Exercise Notice to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares.
- (3) The Board may, in its discretion and at any time, determine to grant a Participant the alternative, when entitled to exercise an Option, to deal with such Option on a “cashless exercise” basis, on such terms as the Board may determine in its discretion (the “**Cashless Exercise Right**”). Without limitation, the Board may determine in its discretion that such Cashless Exercise Right, if any, grant a Participant the right to terminate such Option in whole or in part by notice in writing to the Company and in lieu of receiving Shares pursuant to the exercise of the Option, receive, without payment of any cash other than pursuant to Section 8.2 that number of Shares, disregarding fractions, which when multiplied by the Market Value on the day immediately prior to the exercise of the Cashless Exercise Right, have a total value equal to the product of that number of Shares subject to the Option multiplied by the difference between the Market Value on the day immediately prior to the exercise of the Cashless Exercise Right and the Option Price.

Section 3.7 Option Agreements.

Options shall be evidenced by an Option Agreement, in such form not inconsistent with the Plan as the Board may from time to time determine. The Option Agreement may contain any such terms that the Company considers necessary in order that the Option will comply with any provisions respecting options in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

ARTICLE 4 RESTRICTED SHARE UNITS

Section 4.1 Nature of RSUs.

A Restricted Share Unit is an Award in the nature of a bonus for services rendered that, upon settlement, entitles the recipient Participant to acquire Shares pursuant and subject to such restrictions and conditions as the Board may determine at the time of grant, unless such RSU expires prior to being settled. Vesting conditions will be based on continuing employment (or other service relationship) with the Company. Unless otherwise determined by the Board in its discretion, the Award of an RSU is considered a bonus for services rendered in the calendar year in which the Award is made.

Section 4.2 RSU Awards.

- (1) The Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive RSUs under the Plan, (ii) fix the number of RSUs, if any, to be granted to each Eligible Participant and the date or dates on which such RSUs shall be granted, (iii) determine the relevant conditions and vesting provisions and the Restriction Period of such RSUs, (provided, however, that no such Restriction Period shall exceed the 3 years referenced in Section 4.3) and (iv) determine any other terms and conditions applicable to the granted RSUs, which need not be identical and which, without

limitation, may include non-competition provisions, subject to the terms and conditions prescribed in this Plan and in any RSU Agreement.

- (2) Subject to the vesting and other conditions and provisions in this Plan and in the RSU Agreement, each vested RSU awarded to a Participant shall entitle the Participant to receive one Share upon confirmation by the Board that the vesting conditions have been met and, subject to Section 4.5(3), no later than the last day of the Restriction Period.

Section 4.3 Restriction Period.

The applicable restriction period in respect of a particular RSU shall be determined by the Board but in all cases shall end no later than December 31 of the calendar year which is three (3) years after the calendar year in which the performance of services for which such RSU is granted, occurred ("**Restriction Period**"). All unvested RSUs shall be cancelled on the RSU Vesting Determination Date (as such term is defined in Section 4.4).

Section 4.4 RSU Vesting Determination Date.

The vesting determination date means the date on which the Board determines if the vesting conditions with respect to an RSU have been met (the "**RSU Vesting Determination Date**"), and as a result, establishes the number of RSUs that become vested, if any. For greater certainty, the RSU Vesting Determination Date must fall no later than December 15 of the calendar year which is three (3) years after the calendar year in which the performance of services for which such RSU is granted, occurred. Notwithstanding the foregoing, for any U.S. Participant, the RSU Vesting Determination Date shall occur no later than March 15 of the calendar year.

Section 4.5 Settlement of RSUs.

- (1) Except as otherwise provided in the RSU Agreement, all of the vested RSUs covered by a particular grant shall be settled as soon as practicable and in any event within ten (10) Business Days following their RSU Vesting Determination Date and, subject to Section 4.2(3), no later than the end of the Restriction Period (the "**RSU Settlement Date**").
- (2) Settlement of RSUs shall take place promptly following the RSU Settlement Date and no later than the end of the Restriction Period, and subject to Section 4.2(3) shall take the form determined by the Board, in its sole discretion. Settlement of RSUs shall be subject to Section 8.2 and shall, subject to Section 4.2(3), take place through:
 - (a) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive (unless the Participant intends to simultaneously dispose of any such Shares); or
 - (b) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares.

- (3) Notwithstanding the foregoing, for any U.S. Participant, the RSU Settlement Date and delivery of Shares shall each occur no later than March 15 of the calendar year.

Section 4.6 Determination of Amounts.

For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of RSUs pursuant to Section 4.5, such calculation will be made on the RSU Settlement Date based on the whole number of Shares equal to the whole number of vested RSUs then recorded in the Participant's Account to settle in Shares.

Section 4.7 RSU Agreements.

RSUs shall be evidenced by an RSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The RSU Agreement may contain any such terms that the Company considers necessary in order that the RSU will comply with any provisions respecting restricted share units in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

Section 4.8 Award of Dividend Equivalents.

Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded in respect of unvested RSUs in a Participant's Account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. Dividend Equivalents, if any, will be credited to the Participant's Account in additional RSUs, the number of which shall be equal to a fraction where the numerator is the product of (i) the number of RSUs in such Participant's Account on the date that dividends are paid multiplied by (ii) the dividend paid per Share and the denominator of which is the Market Value of one Share calculated on the date that dividends are paid. Any additional RSUs credited to a Participant's Account as a Dividend Equivalent pursuant to this Section 4.8 shall have an RSU Vesting Determination Date which is the same as the RSU vesting Determination Date for the RSUs in respect of which such additional RSUs are credited.

In the event that the Participant's applicable RSUs do not vest, all Dividend Equivalents, if any, associated with such RSUs will be forfeited by the Participant and returned to the Company's account.

ARTICLE 5 DEFERRED SHARE UNITS

Section 5.1 Nature of DSUs.

A Deferred Share Unit is an Award attributable to a Participant's duties as a Non-Employee Director and that, upon settlement, entitles the recipient Participant to receive such number of Shares as determined by the Board, and is payable after Termination of Service of the Participant.

Section 5.2 DSU Awards.

The Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive DSUs under the Plan, (ii) fix the number of DSUs to be granted to each Eligible Participant and the date or dates on which such DSUs shall be granted and (iii) determine any other terms and conditions applicable to the granted DSUs, which need not be

identical, subject to the terms and conditions prescribed in this Plan and in any DSU Agreement. Each DSU awarded shall entitle the Participant to one Share.

Section 5.3 Additional Deferred Share Units.

In addition to DSUs granted pursuant to Section 5.1, the Board may award such number of DSUs to a Participant as the Board deems advisable to provide the Participant with appropriate equity-based compensation for the services he or she renders to the Company. The Board shall determine the date on which such DSUs may be granted and the date as of which such DSUs shall be credited to a Participant's Account. An award of DSUs pursuant to this Section 5.3 shall be subject to a DSU Agreement evidencing the Award and the terms applicable thereto.

Section 5.4 Settlement of DSUs.

- (1) A Participant may receive their Shares to which such Participant is entitled upon Termination of Service, by filing a maximum of two (2) redemption notices no later than December 31 of the calendar year after the calendar year in which the Termination of Service occurs (the "**DSU Termination Date**"). Each redemption notice shall contain the number of Shares that such Participant is willing to receive on that date provided that the Shares in both redemption notices equal the total amount of Shares the Participant is entitled to. Notwithstanding the foregoing, if any Participant does not provide a redemption notice on or before the DSU Termination Date and in all cases for each U.S. Participant, the Participant will be deemed to have filed their final redemption notice on the DSU Termination Date.
- (2) The Company will make payment of the DSU Settlement Amount as soon as reasonably possible following the DSU Settlement Date.
- (3) In the event of the death of a Participant, the Company will, subject to Section 8.2, make payment of the DSU Settlement Amount within two months of the Participant's death to or for the benefit of the legal representative of the deceased Participant. For the purposes of the calculation of the Settlement Amount, the DSU Settlement Date shall be the date of the Participant's death.
- (4) Subject to the terms of the DSU Agreement, including the satisfaction or, at the discretion of the Board, waiver of any vesting conditions, settlement of DSUs shall take place promptly following the DSU Settlement Date, and take the form as determined by the Board, in its sole discretion. Settlement of DSUs shall be subject to Section 8.2 and shall take place through:
 - (a) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive (unless the Participant intends to simultaneously dispose of any such Shares); or
 - (b) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares.

Section 5.5 Determination of DSU Settlement Amount.

For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of DSUs pursuant to Section 5.5, such calculation will be made on the DSU Settlement Date based on the whole number of Shares equal to the whole number of vested DSUs then recorded in the Participant's Account to settle in Shares.

Section 5.6 DSU Agreements.

DSUs shall be evidenced by a DSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The DSU Agreement may contain any such terms that the Company considers necessary in order that the DSU will comply with any provisions respecting deferred share units in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

Section 5.7 Award of Dividend Equivalents.

Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded in respect of DSUs in a Participant's Account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. Dividend Equivalents, if any, will be credited to the Participant's Account in additional DSUs, the number of which shall be equal to a fraction where the numerator is the product of (i) the number of DSUs in such Participant's Account on the date that dividends are paid multiplied by (ii) the dividend paid per Share and the denominator of which is the Market Value of one Share calculated on the date that dividends are paid. Any additional DSUs credited to a Participant's Account as a Dividend Equivalent pursuant to this Section 5.8 shall be subject to the same terms and conditions as the underlying DSU.

ARTICLE 6 PERFORMANCE SHARE UNITS

Section 6.1 Nature of PSUs.

A Performance Share Unit is an Award in the nature of a bonus for services rendered that, upon settlement, entitles the recipient Participant to acquire Shares as determined by the Board pursuant and subject to such restrictions and conditions as the Board may determine at the time of grant, unless such PSU expires prior to being settled. Vesting conditions will be based on achievement of Performance Criteria. Unless otherwise determined by the Board in its discretion, the Award of an PSU is considered a bonus for services rendered in the calendar year in which the Award is made.

Section 6.2 PSU Awards.

- (1) The Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive PSUs under the Plan, (ii) fix the number of PSUs, if any, to be granted to each Eligible Participant and the date or dates on which such PSUs shall be granted, (iii) determine the relevant conditions and vesting provisions (including the applicable Performance Period and Performance Criteria) and (iv) any other terms and conditions applicable to the granted PSUs, which need not be identical and which, without limitation, may include non-competition provisions, subject to the terms and conditions prescribed in this Plan and in any PSU Agreement.

- (2) Subject to the vesting and other conditions and provisions in this Plan and in the PSU Agreement, each vested PSU awarded to a Participant shall entitle the Participant to receive one Share upon confirmation by the Board that the vesting conditions (meaning the achievement of the Performance Criteria) have been met.

Section 6.3 Restriction Period.

The applicable restriction period in respect of a particular PSU shall be determined by the Performance Period.

Section 6.4 PSU Vesting Determination Date.

The vesting determination date means the date on which the Board determines if the Performance Criteria with respect to an PSU have been met (the “**PSU Vesting Determination Date**”), and as a result, establishes the number of PSUs that become vested, if any. For greater certainty, the PSU Vesting Determination Date must fall after the end of the Performance Period.

Section 6.5 Settlement of PSUs.

- (1) Except as otherwise provided in the PSU Agreement, all of the vested PSUs covered by a particular grant shall be settled as soon as practicable and in any event within ten (10) Business Days following their PSU Vesting Determination Date and no later than the end of the Restriction Period (the “**PSU Settlement Date**”).
- (2) Settlement of PSUs shall take place promptly following the PSU Settlement Date and shall take the form determined by the Board, in its sole discretion. Settlement of PSUs shall be subject to Section 8.2 and shall take place through:
 - (a) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive (unless the Participant intends to simultaneously dispose of any such Shares); or
 - (b) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares.
- (3) Notwithstanding the foregoing, for any U.S. Participant, the PSU Settlement Date and delivery of Shares shall each occur no later than March 15 of the calendar year following the end of the Performance Period.

Section 6.6 Determination of Amounts.

For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of PSUs pursuant to Section 6.5, such calculation will be made on the PSU Settlement Date based on the whole number of Shares equal to the whole number of vested PSUs then recorded in the Participant's Account to settle in Shares.

Section 6.7 PSU Agreements.

PSUs shall be evidenced by a PSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The PSU Agreement may contain any such terms that the Company considers necessary in order that the PSU will comply with any provisions respecting restricted share units in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

Section 6.8 Award of Dividend Equivalents.

Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded in respect of unvested PSUs in a Participant's Account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. Dividend Equivalents, if any, will be credited to the Participant's Account in additional PSUs, the number of which shall be equal to a fraction where the numerator is the product of (i) the number of PSUs in such Participant's Account on the date that dividends are paid multiplied by (ii) the dividend paid per Share and the denominator of which is the Market Value of one Share calculated on the date that dividends are paid. Any additional PSUs credited to a Participant's Account as a Dividend Equivalent pursuant to this Section 6.8 shall have an PSU Vesting Determination Date which is the same as the PSU vesting Determination Date for the PSUs in respect of which such additional PSUs are credited.

In the event that the Participant's applicable PSUs do not vest, all Dividend Equivalents, if any, associated with such RSUs will be forfeited by the Participant and returned to the Company's account.

ARTICLE 7 GENERAL CONDITIONS

Section 7.1 General Conditions Applicable to Awards.

Each Award, as applicable, shall be subject to the following conditions:

- (1) **Vesting Period.** Each Award granted hereunder shall vest in accordance with the terms of the Grant Agreement entered into in respect of such Award. The Board has the right to accelerate the date upon which any Award becomes exercisable notwithstanding the vesting schedule set forth for such Award, regardless of any adverse or potentially adverse tax consequence resulting from such acceleration.
- (2) **Employment.** Notwithstanding any express or implied term of this Plan to the contrary, the granting of an Award pursuant to the Plan shall in no way be construed as a guarantee by the Company or a Subsidiary to the Participant of employment or another service relationship with the Company or a Subsidiary. The granting of an Award to a Participant shall not impose upon the Company or a Subsidiary any obligation to retain the Participant in its employ or service in any capacity. Nothing contained in this Plan or in any Award granted under this Plan shall interfere in any way with the rights of the Company or any of its Affiliates in connection with the employment, retention or termination of any such Participant. The loss of existing or potential profit in Shares underlying Awards granted under this Plan shall not constitute an element of damages in the event of termination of a Participant's employment or service in any office or otherwise.

- (3) **Grant of Awards.** Eligibility to participate in this Plan does not confer upon any Eligible Participant any right to be granted Awards pursuant to this Plan. Granting Awards to any Eligible Participant does not confer upon any Eligible Participant the right to receive nor preclude such Eligible Participant from receiving any additional Awards at any time. The extent to which any Eligible Participant is entitled to be granted Awards pursuant to this Plan will be determined in the sole discretion of the Board. Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect an Eligible Participant's relationship or employment with the Company or any Subsidiary.
- (4) **Rights as a Shareholder.** Neither the Participant nor such Participant's personal representatives or legatees shall have any rights whatsoever as shareholder in respect of any Shares covered by such Participant's Awards by reason of the grant of such Award until such Award has been duly exercised, as applicable, and settled and Shares have been issued in respect thereof. Subject to Section 4.8 and Section 5.8, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such Shares have been issued.
- (5) **Conformity to Plan.** In the event that an Award is granted or a Grant Agreement is executed which does not conform in all particulars with the provisions of the Plan, or purports to grant Awards on terms different from those set out in the Plan, the Award or the grant of such Award shall not be in any way void or invalidated, but the Award so granted will be adjusted to become, in all respects, in conformity with the Plan.
- (6) **Non-Transferrable Awards.** Except as specifically provided in a Grant Agreement approved by the Board, each Award granted under the Plan is personal to the Participant and shall not be assignable or transferable by the Participant, whether voluntarily or by operation of law, except by will or by the laws of succession of the domicile of the deceased Participant. No Award granted hereunder shall be pledged, hypothecated, charged, transferred, assigned or otherwise encumbered or disposed of on pain of nullity.
- (7) **Participant's Entitlement.** Except as otherwise provided in this Plan or unless the Board permits otherwise, upon any Subsidiary of the Company ceasing to be a Subsidiary of the Company, Awards previously granted under this Plan that, at the time of such change, are held by a Person who is a director, executive officer, employee or Consultant of such Subsidiary of the Company and not of the Company itself, whether or not then exercisable, shall automatically terminate on the date of such change.

Section 7.2 General Conditions Applicable to Options.

Each Option shall be subject to the following conditions:

- (1) **Termination for Cause.** Upon a Participant ceasing to be an Eligible Participant for Cause, any vested or unvested Option granted to such Participant shall terminate automatically and become void immediately. For the purposes of the Plan, the determination by the Company that the Participant was discharged for Cause shall be binding on the Participant. "Cause" shall include, among other things, gross misconduct, theft, fraud, breach of confidentiality or breach of the Company's codes of conduct and any other reason determined by the Company to be cause for termination.
- (2) **Termination not for Cause.** Subject to the sole discretion of the Board, upon a Participant ceasing to be an Eligible Participant as a result of his or her employment or service relationship with the Company or a Subsidiary being terminated without Cause, (i) any

unvested Option granted to such Participant shall terminate and become void immediately and (ii) any vested Option granted to such Participant may be exercised by such Participant. Such Option shall only be exercisable within the earlier of ninety (90) days after the Termination Date, or the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire.

- (3) **Resignation.** Subject to the sole discretion of the Board, upon a Participant ceasing to be an Eligible Participant as a result of his or her resignation from the Company or a Subsidiary, (i) each unvested Option granted to such Participant shall terminate and become void immediately upon resignation and (ii) each vested Option granted to such Participant will cease to be exercisable on the earlier of the thirty (30) days following the Termination Date and the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire.
- (4) **Permanent Disability/Retirement.** Subject to the sole discretion of the Board, upon a Participant ceasing to be an Eligible Participant by reason of retirement or permanent disability, (i) any unvested Option shall terminate and become void immediately, and (ii) any vested Option will cease to be exercisable on the earlier of the ninety days from the date of retirement or the date on which the Participant ceases his or her employment or service relationship with the Company or any Subsidiary by reason of permanent disability, and the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire.
- (5) **Death.** Subject to the sole discretion of the Board, upon a Participant ceasing to be an Eligible Participant by reason of death, any vested Option granted to such Participant may be exercised by the liquidator, executor or administrator, as the case may be, of the estate of the Participant for that number of Shares only which such Participant was entitled to acquire under the respective Options (the “**Vested Awards**”) on the date of such Participant’s death. Such Vested Awards shall only be exercisable within twelve (12) months after the Participant’s death or prior to the expiration of the original term of the Options whichever occurs earlier.

Section 7.3 General Conditions Applicable to RSUs and PSUs.

Each RSU and PSU shall be subject to the following conditions:

- (1) **Termination for Cause and Resignation.** Upon a Participant ceasing to be an Eligible Participant for Cause or as a result of his or her resignation from the Company or a Subsidiary, the Participant’s participation in the Plan shall be terminated immediately, all RSUs and PSUs credited to such Participant’s Account that have not vested shall be forfeited and cancelled, and the Participant’s rights to Shares that relate to such Participant’s unvested RSUs and PSUs shall be forfeited and cancelled on the Termination Date.
- (2) **Death or Termination.** Except as otherwise determined by the Board from time to time, at its sole discretion, upon a Participant ceasing to be an Eligible Participant as a result of (i) death, (ii) retirement, (iii) Termination for reasons other than for Cause, (iv) his or her employment or service relationship with the Company or a Subsidiary being terminated by reason of injury or disability or (v) becoming eligible to receive long-term disability benefits, all unvested RSUs and PSUs in the Participant’s Account as of such date relating to a Restriction Period in progress shall be terminated.

- (3) **General.** For greater certainty, where a Participant's employment or service relationship with the Company or a Subsidiary is terminated pursuant to Section 7.3(1) or Section 7.3(2) hereof following the satisfaction of all vesting conditions in respect of particular RSUs or PSUs but before receipt of the corresponding distribution or payment in respect of such RSUs or PSUs, the Participant shall remain entitled to such distribution or payment.

ARTICLE 8 ADJUSTMENTS AND AMENDMENTS

Section 8.1 Adjustment to Shares.

In the event of (i) any subdivision of the Shares into a greater number of Shares, (ii) any consolidation of Shares into a lesser number of Shares, (iii) any reclassification, reorganization or other change affecting the Shares, (iv) any merger, amalgamation or consolidation of the Company with or into another corporation, or (v) any distribution to all holders of Shares or other securities in the capital of the Company, of cash, evidences of indebtedness or other assets of the Company (excluding an ordinary course dividend in cash or shares, but including for greater certainty shares or equity interests in a subsidiary or business unit of the Company or one of its subsidiaries or cash proceeds of the disposition of such a subsidiary or business unit) or any transaction or change having a similar effect, then the Board shall in its sole discretion, subject to the required approval of any Stock Exchange, determine the appropriate adjustments or substitutions to be made in such circumstances in order to maintain the economic rights of the Participant in respect of such Award in connection with such occurrence or change, including, without limitation:

- (a) adjustments to the exercise price of such Award without any change in the total price applicable to the unexercised portion of the Award;
- (b) adjustments to the number of Shares to which the Participant is entitled upon exercise of such Award; or
- (c) adjustments to the number or kind of Shares reserved for issuance pursuant to the Plan.

Section 8.2 Change of Control.

- (1) In the event of a potential Change of Control, the Board shall have the power, in its sole discretion, subject to Section 8.3, to modify the terms of this Plan and/or the Awards to assist the Participants to tender into a take-over bid or to participate in any other transaction leading to a Change of Control.
- (2) If the Company completes a transaction constituting a Change of Control and within twelve (12) months following the Change of Control (i) a Participant who was also an officer or employee of, or Consultant to, the Company prior to the Change of Control has their position, employment or consulting agreement terminated, or the Participant is constructively dismissed, or (ii) a Non-Employee Director ceases to act in such capacity, then all unvested RSUs and PSUs shall immediately vest and shall be paid out, and all unvested Options shall vest and become exercisable. Any Options that become exercisable pursuant to this Section 8.2(2) shall remain open for exercise until the earlier of their expiry date as set out in the Award Agreement and the date that is 90 days after such termination or dismissal.

- (3) Notwithstanding any other provision of this Plan, this Section 8.2 shall not apply with respect to any DSUs held by a Participant where such DSUs are governed under paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision.

Section 8.3 Amendment or Discontinuance of the Plan.

- (1) The Board may suspend or terminate the Plan at any time. Notwithstanding the foregoing, any suspension or termination of the Plan shall be such that the Plan continuously meets the requirements of paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision.
- (2) The Board may from time to time, in its absolute discretion and without approval of the shareholders of the Company amend any provision of this Plan or any Award, subject to any regulatory or stock exchange requirement at the time of such amendment, including, without limitation:
- (i) any amendment to the general vesting provisions, if applicable, of the Plan or of the Awards;
 - (ii) any amendment regarding the effect of termination of a Participant's employment or engagement;
 - (iii) any amendment which accelerates the date on which any Option may be exercised under the Plan;
 - (iv) any amendment necessary to comply with applicable law or the requirements of the TSX or any other regulatory body;
 - (v) any amendment of a "housekeeping" nature, including to clarify the meaning of an existing provision of the Plan, correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan, correct any grammatical or typographical errors or amend the definitions in the Plan;
 - (vi) any amendment regarding the administration of the Plan;
 - (vii) any amendment to add provisions permitting the grant of Awards settled otherwise than with Shares issued from treasury, a form of financial assistance or clawback, and any amendment to a provision permitting the grant of Awards settled otherwise than with Shares issued from treasury, a form of financial assistance or clawback which is adopted; and
 - (viii) any other amendment that does not require the approval of the shareholders of the Company under Section 8.3(3)(b).
- (3) Notwithstanding Section 8.3(2):
- (a) no such amendment shall alter or impair the rights of any Participant, without the consent of such Participant except as permitted by the provisions of the Plan;
 - (b) the Board shall be required to obtain shareholder approval to make the following amendments:

- (i) any increase to the maximum number of Shares issuable under the Plan, except in the event of an adjustment pursuant to Article 8;
 - (ii) any amendment that extends the term of Options beyond the original expiry date;
 - (iii) any amendment which extends the expiry date of any Award, or the Restriction Period, or the Performance Period of any RSU beyond the original expiry date or Restriction Period or Performance Period;
 - (iv) except in the case of an adjustment pursuant to Article 7, any amendment which reduces the exercise price of an Option or any cancellation of an Option and replacement of such Option with an Option with a lower exercise price;
 - (v) any amendment which increases the maximum number of Shares that may be (i) issuable to Insiders at any time; or (ii) issued to Insiders under the Plan and any other proposed or established Share Compensation Arrangement in a one-year period, except in case of an adjustment pursuant to Article 8;
 - (vi) any amendment to the definition of an Eligible Participant under the Plan; and
 - (vii) any amendment to the amendment provisions of the Plan.
- (4) Notwithstanding the foregoing, any amendment of the Plan shall be such that the Plan continuously meets the requirements of paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision.

ARTICLE 9 MISCELLANEOUS

Section 9.1 Use of an Administrative Agent and Trustee.

The Board may in its sole discretion appoint from time to time one or more entities to act as administrative agent or trustee to administer the Awards granted under the Plan and to act as trustee to hold and administer the assets that may be held in respect of Awards granted under the Plan, the whole in accordance with the terms and conditions determined by the Board in its sole discretion. The Company and the administrative agent will maintain records showing the number of Awards granted to each Participant under the Plan.

Section 9.2 Tax Withholding.

- (1) Notwithstanding any other provision of this Plan, all distributions, delivery of Shares or payments to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) under the Plan shall be made net of such withholdings, including in respect of applicable taxes and source deductions, as the Company determines. If the event giving rise to the withholding obligation involves an issuance or delivery of Shares, then, the withholding may be satisfied in such manner as the Company determines, including by (a) having the Participant elect to have the appropriate number of such Shares sold by the Company, the Company's transfer agent and registrar or any trustee appointed by the Company pursuant to Section 9.1 hereof, on behalf of and as

agent for the Participant as soon as permissible and practicable, with the proceeds of such sale being delivered to the Company, which will in turn remit such amounts to the appropriate governmental authorities, or (b) any other mechanism as may be required or determined by the Company as appropriate.

- (2) Notwithstanding Section 9.2(1), the applicable tax withholdings may be waived where a Participant directs in writing that a payment be made directly to the Participant's registered retirement savings plan in circumstances to which subsection 100(3) of the regulations made under the Tax Act apply.

Section 9.3 US Tax Compliance.

- (1) DSUs granted to U.S. Participants are intended to be comply with, and Option and RSUs granted to U.S. Participants are intended to be exempt from, all aspects of Section 409A of the U.S. Tax Code and related regulations ("**Section 409A**"). Notwithstanding any provision to the contrary, all taxes associated with participation in the Plan, including any liability imposed by Section 409A, shall be borne by the U.S. Participant.
- (2) For purposes of interpreting and applying the provisions of any DSU or other Award to subject to Section 409A, the term "termination of employment" or similar phrase will be interpreted to mean a "separation from service," as defined under Section 409A, provided, however, that with respect to an Award subject to the Tax Act, if the Tax Act requires a complete termination of the employment relationship to receive the intended tax treatment, then "termination of employment" will be interpreted to only include a complete termination of the employment relationship.
- (3) If payment under any DSU or other Award subject to Section 409A is in connection with the U.S. Participant's separation from service, and at the time of the separation from service the Participant is subject to the U.S. Tax Code and is considered a "specified employee" (within the meaning of Section 409A), then any payment that would otherwise be payable during the six-month period following the separation from service will be delayed until after the expiration of the six-month period, to the extent necessary to avoid taxes and penalties under Section 409A, provided that any amounts that would have been paid during the six-month period may be paid in a single lump sum on the first day of the seventh month following the separation from service.

Section 9.4 Clawback.

Notwithstanding any other provisions in this Plan, any Award which is subject to recovery under any law, government regulation or stock exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or stock exchange listing requirement). Without limiting the generality of the foregoing, the Board may provide in any case that outstanding Awards (whether or not vested or exercisable) and the proceeds from the exercise or disposition of Awards or Shares acquired under Awards will be subject to forfeiture and disgorgement to the Company, with interest and other related earnings, if the Participant to whom the Award was granted violates (i) a non-competition, non-solicitation, confidentiality or other restrictive covenant by which he or she is bound, or (ii) any policy adopted by the Company applicable to the Participant that provides for forfeiture or disgorgement with respect to incentive compensation that includes Awards under the Plan. In addition, the Board may require forfeiture and

disgorgement to the Company of outstanding Awards and the proceeds from the exercise or disposition of Awards or Shares acquired under Awards, with interest and other related earnings, to the extent required by law or applicable stock exchange listing standards, including and any related policy adopted by the Company. Each Participant, by accepting or being deemed to have accepted an Award under the Plan, agrees to cooperate fully with the Board, and to cause any and all permitted transferees of the Participant to cooperate fully with the Board, to effectuate any forfeiture or disgorgement required hereunder. Neither the Board nor the Company nor any other person, other than the Participant and his or her permitted transferees, if any, will be responsible for any adverse tax or other consequences to a Participant or his or her permitted transferees, if any, that may arise in connection with this Section 9.4.

Section 9.5 Securities Law Compliance.

- (1) The Plan (including any amendments to it), the terms of the grant of any Award under the Plan, the grant of any Award and exercise of any Option, and the Company's obligation to sell and deliver Shares in respect of any Awards, shall be subject to all applicable federal, provincial, state and foreign laws, rules and regulations, the rules and regulations of applicable Stock Exchanges and to such approvals by any regulatory or governmental agency as may, as determined by the Company, be required. The Company shall not be obliged by any provision of the Plan or the grant of any Award hereunder to issue, sell or deliver Shares in violation of such laws, rules and regulations or any condition of such approvals.
- (2) No Awards shall be granted in the United States and no Shares shall be issued in the United States pursuant to any such Awards unless such Shares are registered under the U.S. Securities Act and any applicable state securities laws or an exemption from such registration is available. Any Awards granted in the United States, and any Shares issued pursuant thereto, will be "restricted securities" (as such term is defined in Rule 144(a)(3) under the U.S. Securities Act). Any certificate or instrument representing Awards granted in the United States or Shares issued in the United States pursuant to such Awards pursuant to an exemption from registration under the U.S. Securities Act and applicable state securities laws shall bear substantially the following legend restricting transfer under applicable United States federal and state securities laws:

THE SECURITIES REPRESENTED HEREBY [and for Awards, the following will be added: AND THE SECURITIES ISSUABLE PURSUANT HERETO] HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE "U.S. SECURITIES ACT"), OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (A) TO THE COMPANY, (B) OUTSIDE THE UNITED STATES IN COMPLIANCE WITH REGULATIONS UNDER THE U.S. SECURITIES ACT AND IN COMPLIANCE WITH APPLICABLE LOCAL LAWS AND REGULATIONS, (C) PURSUANT TO THE EXEMPTION FROM REGISTRATION UNDER THE U.S. SECURITIES ACT PROVIDED BY (1) RULE 144 THEREUNDER, IF AVAILABLE, OR (2) RULE 144A THEREUNDER, IF AVAILABLE, AND IN EACH CASE IN COMPLIANCE WITH APPLICABLE STATE SECURITIES LAWS OR (D) IN A TRANSACTION THAT DOES NOT REQUIRE REGISTRATION UNDER THE U.S. SECURITIES ACT OR ANY APPLICABLE STATE SECURITIES LAWS, AND, IN CONNECTION WITH ANY TRANSFERS PURSUANT TO (C)(1) OR (D) ABOVE, THE SELLER HAS FURNISHED TO THE COMPANY AN OPINION OF COUNSEL OF

RECOGNIZED STANDING OR OTHER EVIDENCE, IN FORM AND SUBSTANCE REASONABLY SATISFACTORY TO THE COMPANY, TO THAT EFFECT. DELIVERY OF THIS CERTIFICATE MAY NOT CONSTITUTE "GOOD DELIVERY" IN SETTLEMENT OF TRANSACTIONS ON STOCK EXCHANGES IN CANADA.

- (3) No Awards shall be granted, and no Shares shall be issued, sold or delivered hereunder, where such grant, issue, sale or delivery would require registration of the Plan or of the Shares under the securities laws of any jurisdiction or the filing of any prospectus for the qualification of same thereunder, and any purported grant of any Award or purported issue or sale of Shares hereunder in violation of this provision shall be void.
- (4) The Company shall have no obligation to issue any Shares pursuant to this Plan unless upon official notice of issuance such Shares shall have been duly listed with a Stock Exchange. Shares issued, sold or delivered to Participants under the Plan may be subject to limitations on sale or resale under applicable securities laws.
- (5) If Shares cannot be issued to a Participant upon the exercise of an Option due to legal or regulatory restrictions, the obligation of the Company to issue such Shares shall terminate and any funds paid to the Company in connection with the exercise of such Option will be returned to the applicable Participant as soon as practicable.

Section 9.6 Reorganization of the Company.

The existence of any Awards shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, reclassification, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

Section 9.7 Quotation of Shares.

So long as the Shares are listed on one or more Stock Exchanges, the Company must apply to such Stock Exchange or Stock Exchanges for the listing or quotation, as applicable, of the Shares underlying the Awards granted under the Plan, however, the Company cannot guarantee that such Shares will be listed or quoted on any Stock Exchange.

Section 9.8 No Fractional Shares.

No fractional Shares shall be issued upon the exercise or vesting of any Award granted under the Plan and, accordingly, if a Participant would become entitled to a fractional Share upon the exercise or settlement of such Award, or from an adjustment permitted by the terms of this Plan, such Participant shall only have the right to purchase or receive, as the case may be, the next lowest whole number of Shares, and no payment or other adjustment will be made with respect to the fractional interest so disregarded.

Section 9.9 Governing Laws.

The Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein.

Section 9.10 Severability.

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

Section 9.11 Effective Date of the Plan

The Plan was ratified by the shareholders of the Company and shall take effect on June ____, 2024.

11.12 Decisions by Show of Hands or Poll

Subject to the *Business Corporations Act*, every motion put to a vote at a meeting of shareholders will be decided on a show of hands unless a poll, before or on the declaration of the result of the vote by show of hands, is directed by the chair or demanded by at least one shareholder entitled to vote who is present in person or by proxy.

11.13 Declaration of Result

The chair of a meeting of shareholders must declare to the meeting the decision on every question in accordance with the result of the show of hands or the poll, as the case may be, and that decision must be entered in the minutes of the meeting. A declaration of the chair that a resolution is carried by the necessary majority or is defeated is, unless a poll is directed by the chair or demanded under Article 11.12, conclusive evidence without proof of the number or proportion of the votes recorded in favour of or against the resolution.

A poll demanded at a meeting of shareholders on a question of adjournment must be taken immediately at the meeting.

11.20 Demand for Poll

No poll may be demanded in respect of the vote by which a chair of a meeting of shareholders is elected.

11.21 Demand for Poll Not to Prevent Continuance of Meeting

The demand for a poll at a meeting of shareholders does not, unless the chair of the meeting so rules, prevent the continuation of a meeting for the transaction of any business other than the question on which a poll has been demanded.

11.22 Retention of Ballots and Proxies

The Company must, for at least three months after a meeting of shareholders, keep each ballot cast on a poll and each proxy voted at the meeting, and, during that period, make them available for inspection during normal business hours by any shareholder or proxy holder entitled to vote at the meeting. 13.05 Remuneration of Directors

The Directors are entitled to the remuneration, if any, for acting as Directors as the Directors may from time to time determine. If any such election or continuance of Directors does not result in the election or continuance of the number of Directors for the time being set pursuant to these Articles, and if the Directors do not appoint Directors to fill those vacancies pursuant to Article 13.02(2)(b), the number of Directors of the Company is deemed to be set at the number of Directors actually elected or continued in office.

any time exceed one-third of the number of the current Directors who were elected or appointed as Directors other than under this Article 14.08.

Any Director so appointed ceases to hold office immediately before the next election or appointment of Directors under Article 14.01(a), but is eligible for re-election or re-appointment.

SCHEDULE C
MAJORITY VOTING POLICY

(As attached.)

**PRIME MINING CORP.
MAJORITY VOTING POLICY**

INTRODUCTION

The board of directors (the “**Board**”) of Prime Mining Corp. (the “**Corporation**”) believes that each of its members should carry the confidence and support of the Corporation’s shareholders. To this end, the Board has unanimously adopted this statement of policy.

1. Majority of Votes Withheld

In an uncontested election of directors of the Corporation to which this policy applies, each director should be elected by the vote of a majority of the shares represented in person or by proxy at the shareholders meeting convened for such election of directors. Accordingly, if any nominee for director receives a greater number of votes “withheld” from his or her election than votes “for” such election, that director shall promptly tender his or her resignation to the chair of the Board following the meeting.

2. Consideration of Resignation

The Nominating and Corporate Governance Committee (the “**Committee**”) shall consider any such offer of resignation and recommend to the Board whether or not to accept it. Any director who has tendered his or her resignation shall not participate in the deliberations of either the Committee or the Board. In its deliberations, the Committee may consider any stated reasons as to why shareholders “withheld” votes from the election of the relevant director, the length of service and the qualifications of the director, the director’s contributions to the Corporation, the effect such resignation may have on the Corporation’s ability to comply with any applicable governance rules and policies, the dynamics of the Board, and any other factors that the members of the Committee consider relevant.

The Board shall act on the Committee’s recommendation within 90 days following the applicable shareholders meeting, after considering the factors identified by the Committee and any other factors that the members of the Board consider relevant. The Board shall accept the resignation of the director except where exceptional circumstances would warrant the director continuing to serve on the Board. The Board must announce its decision through a press release, a copy of which must be provided to the Toronto Stock Exchange. If the Board declines to accept the resignation, it must fully state the reasons for its decision in the press release. The resignation of a director will be effective when accepted by the Board. If the Board declines to accept the resignation, it shall include in the press release the reasons for its decision.

3. Individual Voting

Forms of proxy provided for use at any shareholders meeting where directors are to be elected should enable the shareholders to vote in favour of, or vote against, each nominee separately. The results of the vote must be filed on SEDAR+.

4. Effect of Resulting Vacancy

Subject to any applicable corporate law restrictions or requirements, if a resignation is accepted, the Board may leave the resulting vacancy unfilled until the next annual general meeting. Alternatively, it may fill the vacancy through the appointment of a new director whom the Board considers to merit

the confidence of the shareholders, or it may call a special meeting of shareholders at which there will be presented a management nominee or nominees to fill the vacant position or positions. If the director does not tender his or her resignation in accordance with this policy, the Board will not re-nominate that director at the next election.

5. Application of the Policy

In this policy, an “uncontested election” means an election of directors of the Corporation where the number of nominees for election as a director equals the number of directors to be elected.

This policy does not apply where an election involves a proxy battle i.e., where proxy material is circulated and/or a solicitation of proxies is carried out, in support of one or more nominees who are not part of the director nominees supported by the Board or public communications are disseminated, against one or more nominees who are supported by the Board.

6. Review and Amendment of Policy

This is a policy and is subject to change from time to time by the Board. In addition, the Board may, from time to time, permit departures from the terms hereof, either prospectively or retrospectively. No provision contained herein is intended to give rise to civil liability to shareholders of the Corporation or other liability whatsoever.

7. Adoption

Adopted and approved by the Board on April 25, 2024. Reviewed and approved by the shareholders on _____, 2024.
